Dear Patty:-

Make it '16 for sure!" An M.E.S. reunion, when good pals get together" will be a real fun week-end for sure —
I certainly did not realize that so many '39ers are living in Ontario.
Sorry Patty I can't help you with the addresses of Helen, Anne or Ruth.
Looking forward to seeing you.
Sincerely, Jean Hill

A slight correction :-

Shirley Buddiman, { I expect to see Shirley in
180 John St. { the next week - so will
Ingersoll, { give her a pep talk)

Dearest Patty:-

What a job to dash off a bit of history on one's self! — Sorry I'm so late. Tear out the long boring parts won't you.

I know you are up to your eye balls in preparation plans. It just sounds marvelous and I'd give anything to be there too. You'll be in my thoughts indeed May 16-18th —

Looks like we might be able to get up to Victoria in July for a family re-union. Enclosed is a picture of Leitha — isn't she a little doll? The folks sent it to me. I bumped into her in front of the Empress on one visit home, years ago!

Do me a favor & give Marg & me old roommate, an extra hug from me — also Kay Reed. I hear from them every now & then & I hope they'll be there. Cheers!

Love.

Dear Patty,

I hope the shock of this
immediate response won't be
too much for you. But I have
long waited to hear from
some of your gals - and wondered
where some were living etc.
now I know I wanted
just have to drop a line to
some and find out what
they have been doing in the past
25 years I think the Reunion

idea is tremendous. Cannot
say definitely that I will
be there but I am surely
going to start-working on it.

Thank you & Adeline
for getting your heads
together - there always has
to be someone to start the
ball rolling and think
you have made a tremendous
start.

Am enclosing the
picture card we had of our
3 this past Christmas in case
I do not get down. But I
am going to start-working
on plans now - the girls
are 12, 14, 16 - all interested

and active in sports
but more interested in
taking a course in phys. ed.

I try to take in a few
workshops in Wpg. in folk
dancing - adjudicate folk
dancing at one or two local
festivals and have two
classes for children every Sat.
morning of my own.

Donah I had known
Peggy Jarvis was in Calgary.
Was out visiting a brother
last year and could have
looked her up. Also had
a trip to Nova Scotia 3 years
ago to see Dorothy Walker
and could have spent a month
looking up some of the girls at

the East coast. Thus
appreciate receiving this list
of the class and their addresses.

Also appreciated receiving
the Alumnae bulletin last
spring it was so interesting
and meant to write and thank
(forget who now) - was it
Miss Layton?

Now I will not give
you cause for further eye
strain but let's hope we shall
meet in person in May - and
finish the conversation.

Thanks again for all
your work and hope to hear
of further details in the future.

As ever,

Dorothy
